About the National Influenza Vaccine Summit (NIVS)

The National Influenza Vaccine Summit (NIVS) sponsored by the American Medical Association and the Centers for Disease Control and Prevention, started in the year 2000, is a national event with more than 400 members who represent more than 100 public and private organizations with an interest in addressing and reducing influenza and influenza vaccine issues. Visit the Summit's website at www.theinfluenzasummit.org
