Immunize Nevada's Mission

Will create a pro-immunization environment that results in a dramatic increase in immunization rates to exceed the national average by 2020 by:

- Supporting community partners to successfully implement effective immunization efforts throughout Nevada;
- Advocating for, informing and educating about the need for and benefits of vaccines;
- Facilitating greater collaboration statewide to achieve Nevada's immunization priorities.

PROTECT YOURSELF FROM THE FLU THIS SEASON!

An annual flu vaccine is the best way to prevent seasonal influenza. Free immunizations will be offered at this pantry location next month during regular pantry hours.

Flu vaccines are for anyone and older. For patients without insurance, immunizations will be provided at no cost and are provided by Walgreens. For patients with Medicare, Nevada Medicaid or other insurances, please bring your information. There is no administrative cost for vaccines, however donations are accepted.

For more information visit www.immunizeNevada.org or call (775) 624-7116.

Successes

- Vaccinating Underserved Adults
- Maximizing Limited Resources
- Opportunity for Volunteers to Give Back

2014....And Beyond!
