

Lisa Brill MPH, MPP
Northern California Flu Vaccination Program Manager
Appointment and Advice Call Center
Northern California Kaiser Permanente

Ms. Brill is the Program Manager for the Kaiser Permanente Northern California Influenza Vaccination Program. She coordinates the activities of a multitude of departments within Kaiser Permanente's integrated system to support flu vaccination of over 1 million members and employees. Ms. Brill has been with Kaiser Permanente for 15 years and has also worked in Health Education and Adult Primary Care. Prior to Kaiser Permanente, she was the training coordinator for the Family Health Outcomes Project at the University of California. She received her Masters degrees in Public Health and in Public Policy from the University of California, Berkeley.
