

Marci Getz MPH
Immunization Health Promotion Supervisor
Office of Immunization and Child Profile (OICP)
Washington State Department of Health

Prior to becoming the Immunization Health Promotion Supervisor, Ms. Getz was the Adult Immunization Grant Coordinator for the Prevention and Public Health Fund Adult Immunization Grant. She worked for a Tribal health consortium in Sitka, Alaska before joining the Department in 2010. She earned her Master of Public Health in Health Behavior and Health Education from the University of Michigan in 2006. Marci's first career was in the mental health field.
