

**Robi Goswami MD**  
**Cardiologist**  
**Piedmont Heart Institute**

Dr. Goswami earned his medical degree from the Duke University School of Medicine in Durham, North Carolina. He then completed his internal medicine residency, general cardiology fellowship, and advanced cardiovascular imaging fellowship at Duke University Medical Center. His multi-modality imaging training included Echocardiography, Nuclear Cardiology, Cardiac MRI and Cardiac CTA. Prior to medical school, he received his Bachelor of Science and Master's degrees in electrical engineering from Stanford University.

Dr. Goswami is board certified in internal medicine, cardiology, echocardiography, nuclear cardiology and cardiovascular computed tomography. His clinical interests include cardiovascular disease prevention and management, through both lifestyle and medical interventions, in high-risk patients. Dr. Goswami holds memberships in numerous professional organizations including the American College of Cardiology, American Society of Echocardiography, and the Society of Cardiovascular Computed Tomography.
