

**Julie Morita MD  
Medical Director  
Immunization Program  
Chicago Department of Health**

Dr. Morita is a board certified pediatrician who has worked at the CDPH since 1999. She is responsible for directing programs to increase immunization coverage levels among children, adolescents and adults in Chicago. Prior to joining the CDPH, Dr. Morita practiced general pediatrics in Tucson, Ariz. and completed training in the Epidemic Intelligence Service Program at the Centers for Disease Control and Prevention.
