

**Laurel Wood MPA  
Coordinator for Public Health  
Immunization Action Coalition**

Ms. Wood retired from state government service in 2011 after working in public health communicable disease/epidemiology programs for almost thirty years. Among other roles, she served as the Immunization Program Manager for the Alaska Division of Public Health for 16 years, and she directed the AIDS/HIV Program in the State of Tennessee.

Laurel is the former Chair of the national Association of Immunization Managers. She has served as a co-lead for the Patient Education Workgroup for the last 2 years.
