Colleagues, the list below depicts extra stock of posters the VA has available for order. This is a one time process as any remaining supply will be discarded. VA medical centers are well stocked so I wanted to make remaining supply available to non-VA colleagues. Poster topic areas include influenza, hand hygiene, respiratory etiquette, personal protective equipment for clinical or general audiences. The posters below are in packs of 10, meaning that if you order 1 pack, you will get 10 copies of that poster. If you want to receive any of these posters, please complete this form and email it to: [EESDistribution@va.gov](mailto:EESDistribution@va.gov). To view posters, visit <http://www.publichealth.va.gov/flu/materials/posters/index.asp>. Questions? Contact [Troy.Knighton@va.gov](mailto:Troy.Knighton@va.gov). Order by Dec 2.

<b>Poster Topic</b>	<b>Poster Name</b>	<b>Reorder #</b>	<b>Target Audience</b>	<b>No. # packs requested (10 posters per pack)</b>
