

Date of meeting: December 4, 2014

Topic/Focus: Financial Impact of Providing Adult Immunizations

Speakers/Facilitators:

- Laura Lee Hall (American College of Physicians)

Meeting Summary:

The meeting provided an opportunity for American College of Physicians (ACP) staff to discuss a new tool being developed with RTI Health Solutions to assist practices serving adult patients in estimating the costs of immunizing in their practices and expected revenue.

Resources Shared:

Slide set

- A Modeling Tool for Estimating Practice-Based Financial Impact of Adult Immunization: An ACP Quality Connect Program (*Hall*)
