

**Erich M. Daub**  
**Senior Public Health Advisor and Customer Health Lead**  
**Scientific Technologies Corporation**

Erich Daub is currently Senior Public Health Advisor and Consumer Health Lead with Scientific Technologies Corporation (STC) which has included IIS and immunization program work in 22 states.

Prior to joining STC 14 years ago, Erich was the first recipient of the William Haddon, Jr. Doctoral Fellowship in Injury Epidemiology and Control at the Johns Hopkins School of Public Health. His background includes pre-hospital and trauma center emergency medical services, including serving as Chair of the American Public Health Association's Section on Injury Control and Emergency Health Services.

Mr. Daub has served on the faculty of the University of Maryland and Georgetown University, where he was affiliated with the National Center for Education in Maternal and Child Health, and held leadership positions at the Maryland Department of Health and Mental Hygiene. He has served as a consultant to the National Academy of Science's Institute of Medicine and the Centers for Disease Control and Prevention, among other organizations. He is currently a member of the American Immunization Registry Association's (AIRA) Education Steering Committee.
