

**Kristin Hardy**  
**Epidemiologist**  
**Vaccine Management and Improvement Unit**  
**Minnesota Department of Health**

Kristin Hardy works primarily with the Minnesota Vaccines for Children Program and the Minnesota Immunization Information Connection (MIIC), which is Minnesota's Immunization Information System (IIS). Prior to coming to the Minnesota Department of Health in 2012, she worked at the Wisconsin Department of Health for five years. She graduated from the University of Wisconsin–Eau Claire with a BS in Environmental Public Health in 2007, and she is completing her MPH in Epidemiology at the University of Minnesota.
