

NAIS Provider Outreach Workgroup – Meeting Summary

Date of Meeting: May 13, 2015

Topic/Focus: Provider Workgroup sessions at annual NAIS Meeting.

Speakers/Facilitators:

- Susan Farrall (CDC)
- L.J Tan (IAC)

Meeting Summary:

- *Plenary* – The Provider Workgroup presented a summary of its 2014–15 activities during a plenary session for all Summit members.
- *Breakout* – The Workgroup (in collaboration with the Access Workgroup) conducted a lively and productive session, drawing on the model of the *Shark Tank* television show. The Workgroup also displayed the *What Works to Improve Adult Immunization* poster gallery.

Resources Shared:

Slide Sets

- [NAIS Provider Workgroup Report for 2014–2015](#) (Farrall)
- [Breakout Session for Provider and Access Workgroups](#)

Documents

- [NAIS Provider Workgroup 2014–15 Report](#) (table)
- [Shark Tank responses](#) generated during breakout session. *(These responses provided direction to the Access and Provider Workgroups as they selected goals for the 2015–16 year. The responses also were distributed to interested stakeholders who may pursue additional items.)*

Action Item(s)/Workgroup Products:

The sessions presented the Workgroup’s achievements for 2014–15 and set direction for the 2015–16 year. Action Items in 2015–16 are likely to be:

- Economic study
- Promoting quality improvement projects
- Addressing disparate immunization rates
- Business tools for providers, including coding resources
