

**Nancy Bennett MBA
Biostatistician
Northwest Tribal Epidemiology Center
Northwest Portland Area Indian Health Board**

Nancy Bennett has been with the Northwest Portland Area Indian Health Board (NPAIHB) since 2013. She provides support to all programs with the Epi-Center as the floating biostatistician. The NPAIHB is a non-profit tribal advisory organization serving the forty-three federally recognized tribes of Oregon, Washington, and Idaho. Prior to working with NPAIHB, she was an MIS Analyst with the Great Lakes Inter-tribal Epidemiology Center in the Bemidji area. .

Ms. Bennett received her MBA, IT Management, from Western Governors University and her BS in Information Technology from the University of Phoenix.
