

**Rebecca Coyle MEd
Executive Director
American Immunization Registry Association (AIRA)**

Rebecca Coyle became the Executive Director for AIRA in 2010.

Ms. Coyle has worked within the immunization community in a variety of capacities and in multiple states. She began working with the Idaho Immunization Program primarily by educating school and childcare personnel about immunization requirements and conducting AFIX (Assessment, Feedback, Incentive, eXchange) visits with Vaccines for Children program providers. She then worked with the Centers for Disease Control and Prevention as a Public Health Advisor in Minnesota before returning to Idaho to become the state's Immunization Program Manager.

Ms. Coyle received her MS from the University of Idaho.
