

Carl Johnson MD, EdM, MSc
Senior Physician Director
Optum Analytics

Dr. Carl Johnson is a pediatrician trained at Boston Children's Hospital. Before joining Optum Analytics, he worked as a physician executive at Cerner Corporation. He believes that healthcare can be transformed with the help of the right data.

Dr. Johnson completed a Medical Education fellowship at Harvard Medical School and was a faculty health services researcher at The Mount Sinai School of Medicine. He is a graduate of the Mount Sinai School of Medicine in New York City and has held faculty positions at Harvard Medical School, University of California at San Francisco, The Ohio State University, and The Mount Sinai School of Medicine.

When he is not helping to transform healthcare, he can be found playing tennis, cooking, perfecting his French, taking photographs, reading historical fiction, listening to music, and watching Ohio State Football.
