

**Angela K. Shen, ScD, MPH**  
**Senior Science Policy Advisor**  
**Office of the Assistant Secretary for Health**  
**U.S. Department of Health and Human Services**

Angela Shen is a Senior Science Policy Advisor at the National Vaccine Program Office. She leads a portfolio around adult immunization, immunization information systems, vaccine and immunization financing and innovation, and works with a wide range of federal and non-federal partners. Dr. Shen is the Co-Chair of the National Adult and Influenza Immunization Summit (NAIIS) and lead for the Quality and Performance Measures Working Group on Maternal Immunization, Adult Composite, and End Stage Renal Disease measures.

Dr. Shen has broad experience in public health practice, regulatory science, and epidemiology and has held various scientific, technical, and policy positions at the U.S. Agency for International Development (USAID), the Center for Biologics Evaluation and Research in the Food and Drug Administration (FDA), and the Centers for Disease Control and Prevention (CDC). She is a graduate of Tulane University School of Public Health and Tropical Medicine, Loma Linda University School of Public Health, and the University of California at Los Angeles (UCLA) and holds the rank of Captain as a commissioned officer in the U.S. Public Health Service.
