

# SPECIAL MEETING

## National Adult Immunization Coordinators' Partnership (NAICP) Meeting at the Summit

Join the NAICP at our annual face-to-face meeting at the Summit! Meet Adult Immunization Coordinators from other states and project areas, talk about issues surrounding adult immunizations, and tell us about the important work you are doing to raise adult immunization coverage levels in your state. This is a great opportunity to learn about the NAICP organization, meet current and former chairs and executive committee members, and learn about how to participate.

Adult Coordinators and individuals representing state and local public health are welcome to attend this meeting.
