

## 2017 National Adult and Influenza Immunization Summit Posters

The poster sessions at the 2017 Summit provided a means to highlight a wide array of activities dedicated to improving adult and influenza immunization. The Summit Organizing Committee wishes to thank the authors for sharing this enlightening information.

Individual posters may be viewed by selecting a title shown below.

•	<a href="#"><u><b>Immunization Strategy in a Large Integrated Health System</b></u></a> Tracy Bieber
•	<a href="#"><u><b>Improving the Health of HIV+ Clients through Preventive Immunization with PCV13 Vaccine</b></u></a> Robert Dodge, Brian Gravlin, Jody Long
