Recipient: **Henry Ford Health System**

Presentation by:
Marianne Langlois

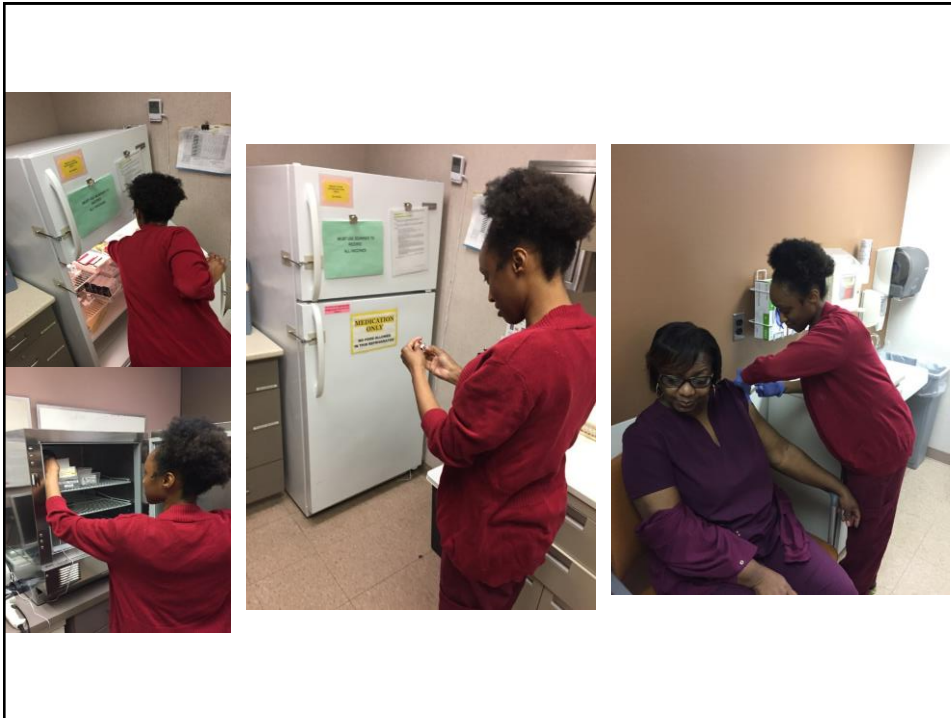

National Winner – Adult Immunization Champion

Henry Ford Health System

Marianne Langlois, MSA

Director of multiple large ambulatory sites in Henry Ford Health System, Detroit Michigan

Championed the challenge of vaccinating Adults with successful outcomes

Success within 37 Henry Ford sites

- Zostavax increased by 112%
- Integrated TransactRX as a payer in EPIC EMR
- Ongoing front line education
- Expanded from age 65 to 19 and older
- Doubled the number of patients vaccination between ages 60-64
- Implemented bi-directional feed to State of Michigan Registry.
- Key is to vaccinate patient same day of clinic visit with focus between 60-64!
