

**Lynette Brammer MPH
Epidemiologist, Epidemiology and Prevention Branch
Influenza Division
National Center for Immunization and Respiratory Diseases
Centers for Disease Control and Prevention**

Ms. Brammer received her Master of Public Health degree from Emory University's Rollins School of Public Health and her Bachelor of Science degree from the Medical College of Georgia. She joined the Influenza Division in 1991, initially working with the strain surveillance laboratory before transferring to the epidemiology section in 1996 to work on influenza surveillance. Ms. Brammer is currently the team lead for domestic influenza surveillance.
