

**Rebecca Coyle MEd
Executive Director
American Immunization Registry Association (AIRA)**

In her capacity at AIRA, Ms. Coyle oversees the development and promotion of tools and best practices for the implementation of immunization information systems as an important tool in preventing and controlling vaccine preventable diseases. AIRA is a non-profit organization that facilitates a community forum around IIS.

Ms. Coyle has a master's degree in education with an emphasis in public health. She began her work in the immunization community fifteen years ago as a school and childcare coordinator in a state health department. Since that time she has worked as a Public Health Advisor for CDC and as a state immunization Program Manager before joining AIRA in 2010.
