

Hannah Fish PharmD, CPHQ
Associate Director of Education & Communications
Pharmacy Quality Alliance (PQA)

Dr. Fish serves as the Pharmacy Quality Alliance's Associate Director of Education and Communications. She is responsible for expanding PQA's communication outreach and leading PQA's education initiatives. Dr. Fish also serves as the staff liaison to the PQA Adult Immunization Task Force.

Dr. Fish previously served as the 2015-2016 PQA Executive Fellow in a one-year, post-graduate training program. In this role, she was responsible for issues related to appropriate medication management and use, as well as managing PQA projects and research initiatives. During her fellowship she greatly expanded PQA's academic and Ambassador initiatives to engage students in quality. She also participated in PQA Measure Development Teams and Taskforces to support quality metric design and use.

Dr. Fish earned her Doctor of Pharmacy degree from University of Toledo's College of Pharmacy and Pharmaceutical Sciences.
