

**Stacie Greby DVM, MPH
Epidemiologist
Immunization Services Division
National Center for Immunizations and Respiratory Diseases
Centers for Disease Control and Prevention**

Dr. Stacie Greby is a Veterinarian, board certified in Veterinary Preventive Medicine, with a Master's in Public Health (Epidemiology and Biostatistics). She has been at CDC since 1997, working in immunization as well as domestic and international HIV programs. She is an Epidemiologist in NCIRD's Immunization Services Division's Assessment Branch, supporting national vaccination assessment activities and the VaxView websites. For 4 months in late 2014 and early 2015, she served as the STRIVE Trial Field Team Deputy for Management and Operations. She is currently serving on a temporary detail as the Deputy Associate Director for Science on the Pregnancy and Birth Defects Task Force, supporting CDC's Ebola Response.
