

Michele Roberts MPH, MSHES
Director
Office of Immunizations and Child Profile
Prevention and Community Health Division
Washington State Department of Health

Prior to becoming the Director of the Office of Immunizations and Child Profile, she served as Health Promotion and Communication Section Manager, providing leadership and management of immunization promotion activities across the lifespan and the Child Profile Health Promotion system.

Ms. Roberts earned her MPH degree from Johns Hopkins Bloomberg School of Public Health and her BA from Whitman College. She completed a two year program evaluation fellowship at the Centers for Disease Control and Prevention. Ms. Roberts is a Master Certified Health Education Specialist (MCHES), indicating evidence of her training in health promotion planning, management and evaluation.
