DISCLOSURE

This project was supported by the Center for Disease Control and Prevention (CDC) and the National Association of Chain Drug Stores (NACDS). The content of this presentation is solely the responsibility of the authors and does not necessarily represent the official views of the CDC or the Department of Health and Human Services. This project is part of a larger initiative with three (3) sub-awardees spanning four (4) states to increase adult immunizations.

The demonstration projects are supported by Grant Federal Award Identification Number, IH23IP000985, for \$800,000 funded by the CDC. NACDS contributed an additional \$300,000 to execute the demonstration projects. Given this contribution, each sub-awardee received approximately 67 percent (\$200,000) of its funding from the CDC and approximately 33 percent (\$100,000) from NACDS to implement its demonstration project. A total of \$1.1 million will be used to complete CDC project work, with 73 percent from the CDC and 27 percent from NACDS.
