

The two poster sessions at the 2019 Summit provided a means to highlight a wide array of activities dedicated to improving adult and influenza immunization. The Summit Organizing Committee wishes to thank the authors for sharing this enlightening information. Individual posters may be viewed by selecting a title shown below.

### [Standards for Adult Immunization Practice: A national survey of healthcare providers in the United States, 2016–2018](#)

Charleigh Granade<sup>1,2</sup>, Amy Parker Fiebelkorn<sup>2</sup>, Anup Srivastav<sup>2,3</sup>, Carla L. Black<sup>2</sup>, Chelsea S. Lutz<sup>1,2</sup>, Carolyn B. Bridges<sup>4</sup>, Sarah W. Ball<sup>5</sup>, Ann J. Cloud<sup>5</sup>, Rebecca G. Devlin<sup>5</sup>, David K. Kim<sup>2</sup>

1. Oak Ridge Institute for Science and Education 2. CDC 3. Leidos Inc. 4. Immunization Action Coalition  
5. Abt Associates, Inc.

### [Immunization Standing Order Pilot Program in 4 Large New York City Health Care Facilities](#)

Krishika Acharya Graham<sup>1</sup>, Yanoh Jalloh<sup>1</sup>, Kathleen Blaney<sup>1</sup>, Bindy Crouch<sup>1</sup>, Edward Wake<sup>1,2</sup>, Jane Zucker<sup>1,2</sup>

1. New York City Dept. of Health and Mental Hygiene 2. CDC

### [Trends in Pharmacy Reporting to the New York City Citywide Immunization Registry](#)

Kathleen Blaney<sup>1</sup>, Edward Wake<sup>1,2</sup>, Krishika Graham<sup>1</sup>, Bindy Crouch<sup>1</sup>, Hyman Renshowitz<sup>1</sup>, Jane Zucker<sup>1,2</sup>

1. New York City Dept. of Health and Mental Hygiene 2. CDC

### [Enrollment in the Vaccines for Children Program among Pharmacies Administering Pediatric Flu Vaccine in New York City](#)

Bindy L Crouch<sup>1</sup>, Melissa Mickle-Hope<sup>1</sup>, Arianne Ramautar<sup>1</sup>, Krishika A Graham<sup>1</sup>, Kathleen Blaney<sup>1</sup>, Elliane Yashar<sup>1,2</sup>, Edward Wake<sup>1,2</sup>, Hyman Renshowitz<sup>1</sup>, Amy Metroka<sup>1</sup>, Jane Zucker<sup>1,2</sup>

1. New York City Dept. of Health and Mental Hygiene 2. CDC

### [Stewart Health Committee: A Rural County Immunization Improvement Pilot Project](#)

Elizabeth (Libby) Massiah<sup>1</sup>

1. Alliant Quality

### [Increasing Adult Immunization Rates Using a Quality Improvement Model: Family Medicine Practice Results](#)

Pamela Carter-Smith<sup>1</sup>, Bellinda Schoof<sup>1</sup>

1. American Academy of Family Physicians

### [Promotion of Low-Cost Vaccines through Interactive Mapping Tool](#)

Elizabeth Langford<sup>1</sup>, Kristin Hardy<sup>1</sup>, Lucy Cosgrove<sup>1</sup>, Mike Dolbow<sup>1</sup>

1. Minnesota Dept. of Health

### **Increasing Immunization Rates through Obstetrician-Gynecologist Partnerships**

Sarah Wright<sup>1</sup>, Sarah Carroll<sup>1</sup>, Lindsey Regallis<sup>1</sup>

1. American College of Obstetricians and Gynecologists

### **A Simple Flu Shot: Not So Simple...**

Liang Richard Cui<sup>1</sup>, Dana Marchetto Beeson<sup>1</sup>, Stanley Cheng<sup>1</sup>, Jonathan DeShields<sup>1</sup>, Jennifer Arriaga<sup>1</sup>, John O'Neill, Jr.<sup>1</sup>, Laura Lee Hall<sup>2</sup>, Justin Glasgow<sup>3</sup>, Gretchen Rickards<sup>1</sup>

1. Christiana Care Health System 2. Sustainable Healthy Communities, LLC 3. Univ. of Alabama at Birmingham

### **Champions on the Front Lines: An Interprofessional Medical Assistant-Focused Quality Improvement Project to Increase Influenza Vaccination in an Urban Academic Primary Care Clinic**

Liang Richard Cui<sup>1</sup>, Dana Marchetto Beeson<sup>1</sup>, Stanley Cheng<sup>1</sup>, Jonathan DeShields<sup>1</sup>, Jennifer Arriaga<sup>1</sup>, John O'Neill, Jr.<sup>1</sup>, Laura Lee Hall<sup>2</sup>, Justin Glasgow<sup>3</sup>, Gretchen Rickards<sup>1</sup>

1. Christiana Care Health System 2. Sustainable Healthy Communities, LLC 3. Univ. of Alabama at Birmingham

### **Improving Immunization Rates through Beneficiary and Provider Engagement**

Lindsay Pluff<sup>1</sup>, Gina Jones<sup>1</sup>, Nicole Contreras<sup>1</sup>, Tracey Durns<sup>1</sup>

1. Telligon

### **Improving IIS Use and Influenza Vaccination Rates in Ob-Gyn Care Settings**

Elena Rosenberg-Carlson<sup>1</sup>, Anna Fedorowicz<sup>1</sup>, Jennifer Heath<sup>1</sup>

1. Minnesota Dept. of Health

### **Using Non-Traditional Partnerships to Increase Adult Immunization Coverage Among Underserved Populations**

LaTasha Hinckson Callis<sup>1</sup>, Sean Dade<sup>1</sup>, Jacy King<sup>1</sup>

1. Houston Health Dept.

### **Knowledge and Acceptance of Influenza Vaccine within the Diverse Hispanic Communities of South Florida: A Survey conducted in Waiting Rooms of Latin-American Consulates**

Lujan Soler<sup>1</sup>, Laura Regalini<sup>1</sup>, Mariana Schlesinger<sup>1</sup>, Rudy Barakat<sup>2</sup>, Gordon Dickinson<sup>2,3</sup>

1. Fighting Infectious Diseases in Emerging Countries 2. Univ of Miami Miller School of Medicine  
3. Miami VA Medical Center

### **The Power of Consumer Activism and the Value of Immunization Registries in a Pandemic (accompanying cartoon)**

Michelle Bonjour<sup>1</sup>

1. Scientific Technologies Corporation

### **Using a multi-sector partnership to educate and immunize a population experiencing homelessness in the District of Columbia**

Jacob Mbafor<sup>1</sup>, Kimberly Greenwood<sup>1</sup>, Donna Davidson<sup>1</sup>

1. District of Columbia Dept. of Health

### **Improving Flu Accessibility Among the Underserved in San Diego, California**

William Liao<sup>1</sup>, Andrew Gonzalez<sup>1</sup>

1. Champions for Health

### **Continuous Temperature Monitoring – Free Clinics**

Crista Sullivan<sup>1</sup>

1. Virginia Dept. of Health

### **Starting the Conversation: Pharmacies Role in Pandemic Vaccination**
