

**Lana Hudanick
Public Health Consultant Nurse
Bureau of Immunizations
Missouri Department of Health and Senior Services**

Ms. Hudaneck, from St. Louis, Missouri, has been a nurse for about 25 years. She has worked in public health for over 16 years, starting with St. Charles County Community Health and the Environment as a public health nurse working in the immunization division, childcare health consultant program, and health clinic. She began working with the Missouri Department of Health and Senior Services' Bureau of Immunizations as a Public Health Consultant Nurse in January 2013. Her duties include serving as the influenza coordinator; vaccine safety coordinator; and the adult, adolescent, child and infant immunization coordinator. Ms. Hudanick educates providers on vaccine scheduling and vaccine safety, and she coordinates immunization trainings, webinars and state conferences. She served as an executive committee member on the National Adult Immunization Coordinators Partnership (NAICP) from 2015–2017.

Ms. Hudaneck has 2 children in college, so she and her husband of almost 25 years are now empty nesters. In her spare time, she enjoys spending time with her Great Pyrenees, Bailey, and her husband.
