

Kevin King, MD
Co-Chair Mercy Clinic East Adult Primary Quality Safety Value
Assistant Department Chair Mercy Clinic East Adult Primary Care
Mercy Clinic Family Medicine, St Louis, MO

Dr. King is a Family Physician in St Louis, MO, with Mercy Clinic. He also has served as Co-Chair, Mercy Clinic East Adult Primary Quality Safety Value since 2014 and Assistant Department Chair, Mercy Clinic East Adult Primary Care, since 2016. He has practiced Family Medicine for 10 years in his local community of Kirkwood in St Louis. He is assistant faculty at Mercy Family Medicine Residency. He has worked with our Mercy team on numerous AMGA collaboratives over the last few years, and is thankful for the opportunity.

Dr. King graduated from St Louis University for undergrad, and St Louis University School of Medicine. He completed his residency in Family Medicine at St Johns Mercy Medical Center in St Louis (now Mercy Hospital St Louis), where he also served as chief resident.

He is blessed by his beautiful wife Jessica, their three kids, Lucas, Anna, and Eli, their cat Steve, and their dog Chance.
