**IAC/Immunization Coalitions  
COVID-19 Resources Repository**

Repository of Resources for Maintaining immunization during the COVID-19 Pandemic

This repository is a collection of resources for healthcare settings, care and long-term facilities, professional societies, immunization coalitions, and other organizations that are working to maintain immunization services during the COVID-19 pandemic. The repository includes links to national, regional, and state-level policies and guidance and advocacy resources for maintaining immunization services during the COVID-19 pandemic.
