

Amy J Behrman, MD, FACP, FACOEM
Division Chief, Occupational Medicine
Professor, Perelman School of Medicine
University of Pennsylvania

Dr. Behrman is a Professor at the Perelman School of Medicine at the University of Pennsylvania, where she has served as Occupational Medicine Director for more than 25 years. Her practice and academic interests focus on healthcare personnel, occupational infections, nosocomial infection prevention, vaccine-preventable diseases, and adult immunization programs. She is responsible for clinical care, surveillance, and immunization programs for healthcare personnel, research staff, and veterinary staff at a large academic medical center.
