

Alicia Budd, PhD
Epidemiologist
Epidemiology and Prevention Branch
Influenza Division
Centers for Disease Control and Prevention

Alicia Budd is an Epidemiologist in the Epidemiology and Prevention Branch of the Influenza Division at the Centers for Disease Control and Prevention. Ms. Budd has been at CDC for more than 17 years and has worked in the Influenza Division focusing on influenza surveillance for most of that time. She also spent several years in the Hospital Epidemiology and Infection Control Department at the Johns Hopkins Hospital and 2 years working on healthcare quality programs at the Centers for Medicare and Medicaid Services.
