

Rebecca Coyle, MEd
Executive Director
American Immunization Registry Association (AIRA)

Rebecca Coyle is the Executive Director of the American Immunization Registry Association (AIRA), where she oversees the development and promotion of tools and best practices to support the implementation of immunization information systems as an essential tool in preventing and controlling vaccine-preventable diseases. Ms. Coyle has a master's degree in education with an emphasis in public health. Rebecca began her work in the immunization field in 2002, working with school and childcare providers; she has worked for CDC as a public health advisor and as a state immunization program manager. Ms. Coyle joined AIRA in 2010 as the Executive Director.
