Evaluating Vaccine Equity: Challenges & Gaps

Need to establish
the evidence-base
for what works to
increase vaccine
equity

Workgroup Activities

- Learning sessions to exchange information:
 - “The Equity Component of ACIP’s Equity Framework”-November 13, 202
 - “Co-creating Vaccine Equity Research That Pairs Community Members with Researchers”-January 8, 2025
 - “Evaluating the Impact and the Potential of the Vaccine Equity Coordinator Job”- March 12, 2025
- Talking points/factsheet: Vaccination disparities and inequities.
- Promoting CBO authorship on traditional peer-reviewed articles as well as non-traditional media sources.
- Promoting efforts to establish the evidence-base for what works to increase vaccine equity

We Welcome Insights
