

Marie Hartel

Program Director

Tennessee Department of Health Vaccine-Preventable Diseases and Immunization Program

Marie Hartel is the Program Director for the Tennessee Department of Health Vaccine-Preventable Diseases and Immunization Program, overseeing the administrative, IIS, and data management operations of the program. She joined the immunization community in May 2020, previously serving as the IIS Manager and IIS Deputy Manager. Marie has a Master of Public Health degree and more than a decade of experience supporting the design, implementation, and management of state data systems. She resides in Nashville, Tennessee with her family.
