

KELLY L. MOORE, MD, MPH
President and Chief Executive Officer
Immunize.org

Dr. Kelly L. Moore is the president and CEO of Immunize.org and adjunct associate professor of health policy at the Vanderbilt University School of Medicine. Before taking her current role in 2021, Dr. Moore served for 14 years as the director of the Tennessee Immunization Program and later founded her own consulting company, The Vaccine Advisor, LLC, to advise public health and industry. She has held a variety of immunization policy advisory roles with the World Health Organization since 2016, including as chair of its Immunization Practices Advisory Committee. She served as a voting member of Advisory Committee on Immunization Practices (ACIP) from 2015-2019 and the liaison representative of Association of Immunization Managers (AIM) to ACIP from 2011-2015. Dr. Moore is a graduate of the Vanderbilt School of Medicine and the Harvard School of Public Health. She completed her public health leadership training as an Epidemic Intelligence Service Officer and preventive medicine resident with the CDC.
