

Agenda: National Adult Immunization Coordinators' Partnership (NAICP) In-person Meeting

Date: May 9, 2023

Who we are:

The National Adult Immunization Coordinators' Partnership (NAICP) works to increase adult immunization rates by providing an opportunity for state and local adult immunization coordinators to exchange project information and ideas. The goals of NAICP are to:

- Increase awareness and uptake of adult vaccines through education of providers and the general public and implementation of programs at the local, state, and federal levels; and
- Assess and prioritize adult immunization issues, share adult immunization information, convey successful project ideas, discuss legislative roadblocks and successes, and use the executive committee as the foundation to encourage all grantees to adopt and implement best practices in improving adult vaccination awareness and coverage
