

National Adult Immunization Coordinators' Partnership (NAICP) Call

January 26, 2023
2:00 - 3:00 p.m. (EST)

Agenda

- Welcome
- NAICP background
- 2022 NAICP membership survey results and feedback session
- NAICP executive committee recruitment
- Q&A
- Next Steps

NAICP background

- NAICP works to increase adult immunization rates across the United States.
- Supports jurisdiction-level adult immunization coordinators in connecting and sharing best practice programmatic information.
- Provides information on adult immunization related topics as well as tools and resources to support jurisdictional-level programming.
- Participates and provides insight on adult immunization jurisdictional-level programming on national work groups, summits, etc.

NAICP goals

- Increase awareness and uptake of adult vaccines through education of providers and the general public.
- Assess and prioritize adult immunization issues by:
 - Sharing adult immunization information
 - Conveying successful project ideas
 - Discussing legislative roadblocks and successes impacting adult immunization
 - Supporting adult immunization coordinators in adopting and implementing best practices in improving adult vaccine awareness and coverage.

NAICP in the pre-COVID pandemic era

- 7-member executive committee (EC) led by two EC-selected co-chairs would coordinate quarterly teleconference meetings for membership.
 - Topics for presentations were selected by membership through surveys.
 - Presenters for selected topics included experts in the field of adult immunization as well as adult immunization coordinators.
- EC worked with the National Adult and Influenza Immunization (NAIIS) annual conference planners to schedule an in-person networking meeting for adult immunization coordinators.
- EC periodically reached membership via email with adult immunization related information, tools and resources.

Re-forming NAICP

- Since the summer of 2022, EC co-chairs have met with CDC, AIM and NAIIS leadership to work on relaunching NAICP.
- Participation in NAICP is a CDC core immunization grant activity and many programs are building a more robust adult immunization program.
- At a minimum, we plan to:
 - Rebuild the EC to support planning of future 2023 calls on topics identified by members
 - Convene an in-person meeting at the next NAIIS conference

2022 membership survey results

- Survey was conducted November 2022
- 19 responses
- Most respondents indicated quarterly meetings would be ideal
 - 4 calls per calendar year

2022 membership survey results

Topics your jurisdiction would like to see addressed on future NAICP calls.

- COVID-related topics/moving to a “new” normal
- Pandemic preparedness planning with adult immunization partners
- Working with non-health department facilities to expand access to adult vaccination
- Non-influenza vaccine-preventable disease outbreak planning (e.g. monkeypox vaccine response, etc).
- Partnering with immunization (and other) coalitions to improve adult immunization rates
- Adult IQIP; Applying the child and adolescent model to adult health care providers

Poll 1

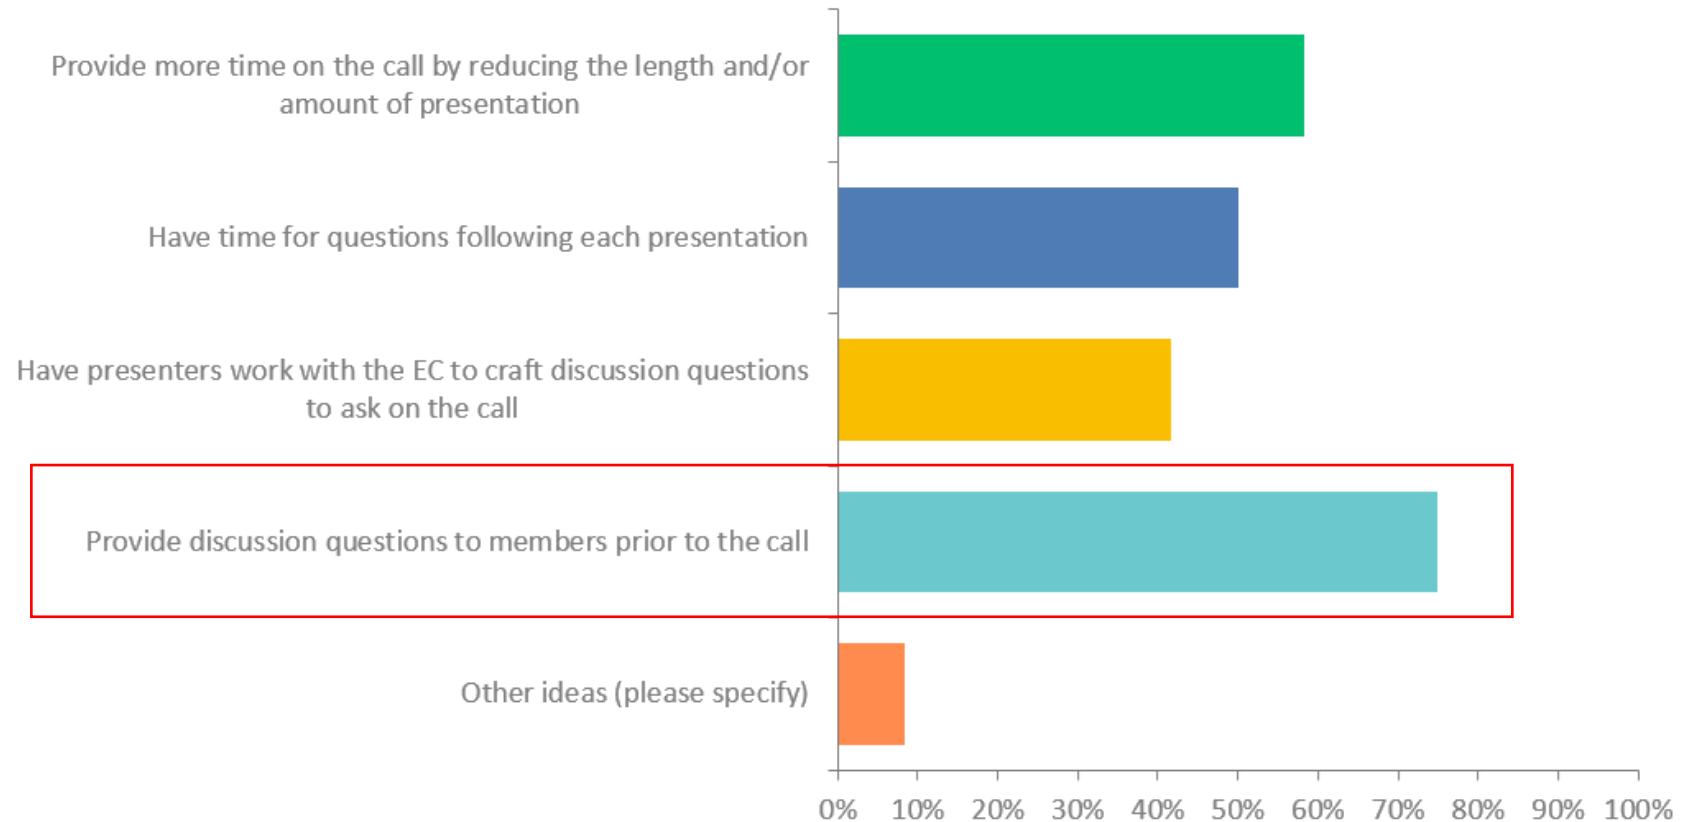

What are the top two topics your jurisdiction would like to see addressed on future NAICP calls in 2023? (*select your top 2 choices and press submit*)

- a) COVID-related topics/moving to a “new” normal
- b) Pandemic preparedness planning with adult immunization partners
- c) Working with non-health department facilities to expand access to adult vaccination
- d) Non-influenza vaccine-preventable disease outbreak planning (e.g. monkeypox or Hep A vaccine responses, etc).
- e) Partnering with immunization (and other) coalitions to improve adult immunization rates
- f) Adult IQIP; Applying the child and adolescent model to adult health care providers

2022 membership survey results cont.

Q4: The NAICP EC would like to facilitate more discussion among awardees on NAICP calls. How can we help to facilitate more discussion? [select all answers that apply]

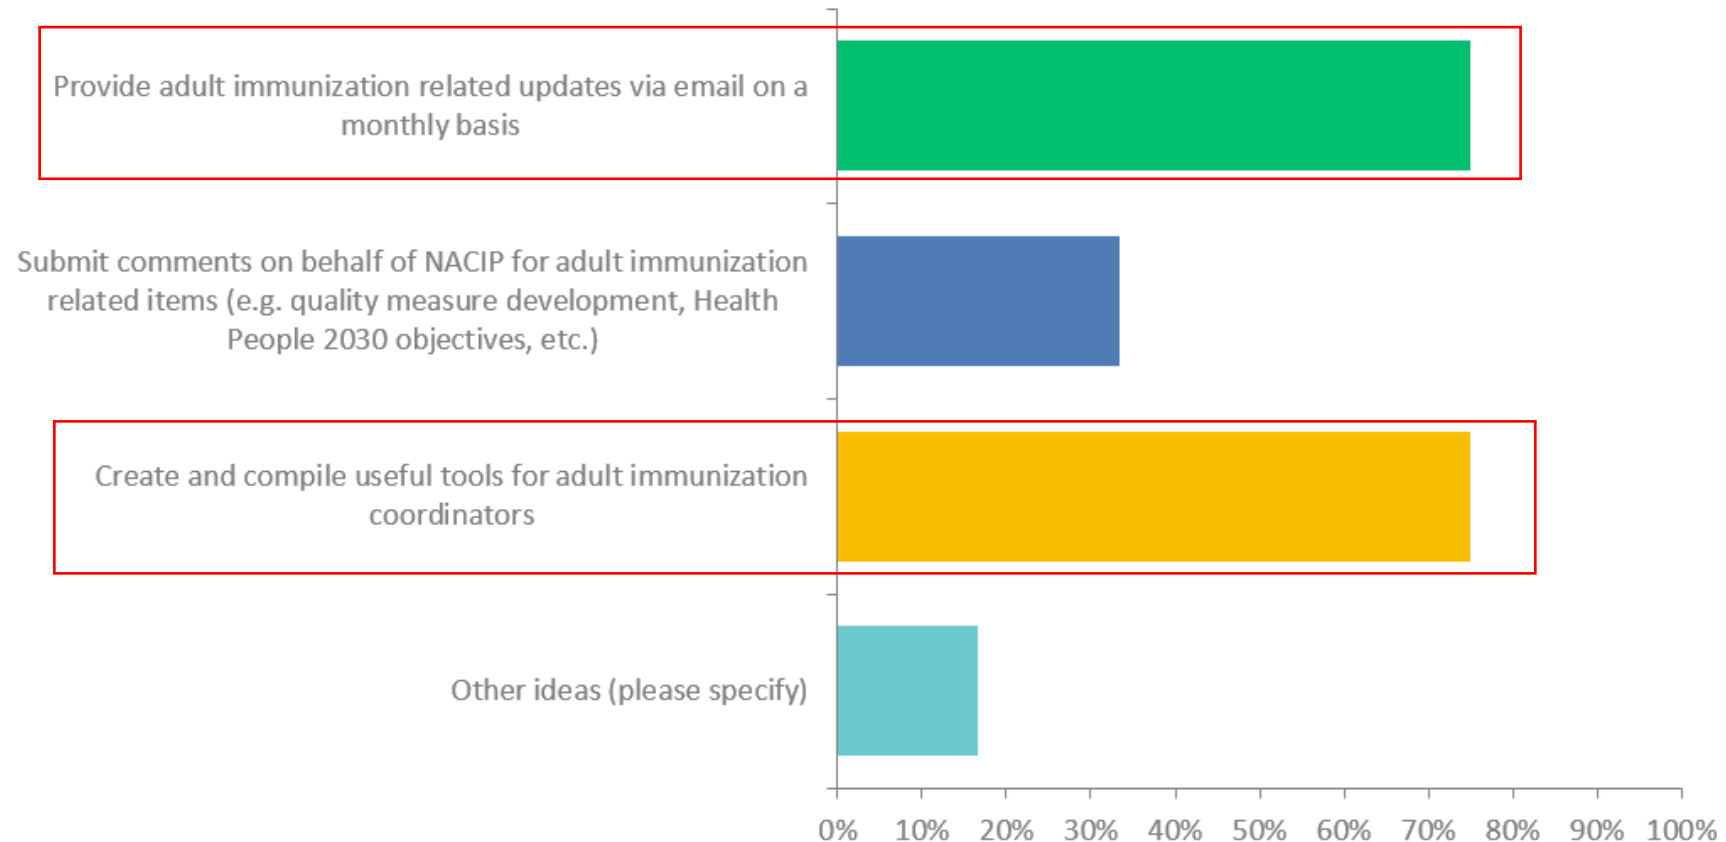

Answered: 12 Skipped: 7

2022 membership survey results cont.

Q5: What other adult immunization activities should the NAICP participate in beyond the quarterly calls? [select all answers that apply]

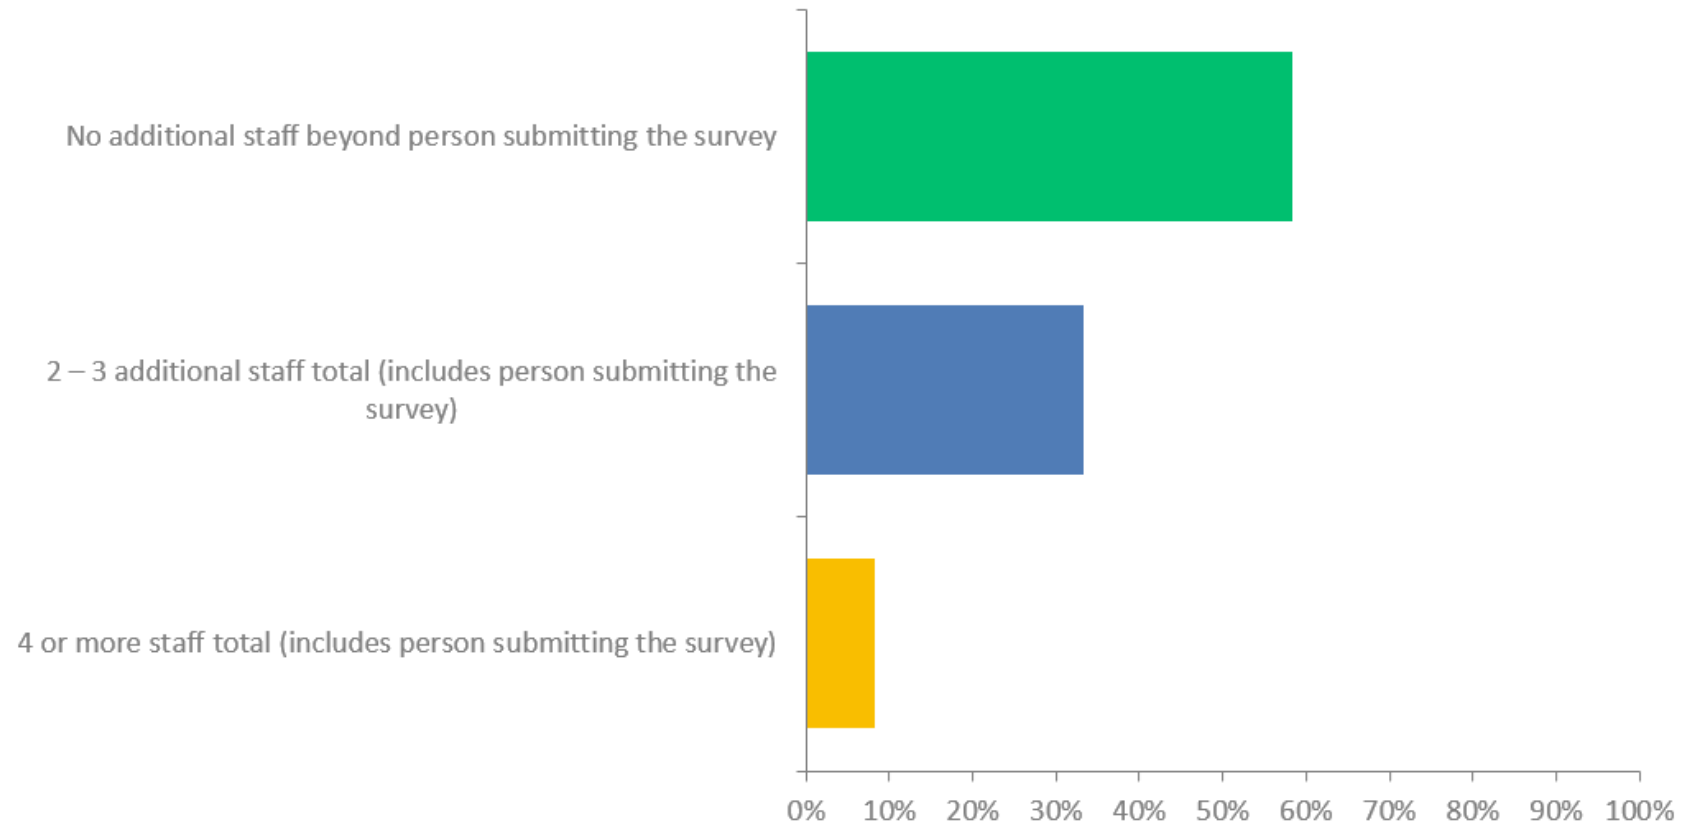

Answered: 12 Skipped: 7

2022 membership survey results cont.

Q7: How many staff working on adult immunization activities in your state or jurisdiction were consulted in responding to this survey? [select one answer]

Answered: 12 Skipped: 7

2022 membership survey results cont.

- Top 3 priorities of your jurisdictions adult immunization program
- Common Responses/Themes:
 - Funding to expand adult IZ infrastructure, capacity, and programming
 - Increase and facilitate IZ coverage in various adult populations
 - Pregnant, high risk, underinsured, etc.
 - Establish and strengthen partnerships with stakeholders, community organizations, and non-traditional partners
 - Vaccine hesitancy and education
 - COVID, Influenza, Hep B

Q&A and member feedback
session on survey results

NAICP executive committee (EC) recruitment

- Currently have 5 EC members.
 - Nisha Gandhi, California (co-chair)
 - Alyssa Nowak, Michigan (co-chair)
 - Annie Fedorowicz, Minnesota (outgoing co-chair)
 - Andy Noble, Pennsylvania
 - Edward Wake, New Mexico
- Need to recruit 2 new EC members that are current adult immunization coordinators at the jurisdictional-level (state or local).
- EC term appointments are for 2 years:
 - EC members can choose to serve for 1 or 2 consecutive terms for a total of 4 years.
 - If EC members decide to leave their term appointment early, a new EC member will be selected during the next annual election cycle.

NAICP EC member responsibilities

- Attends scheduled teleconference EC meetings (~monthly).
- Attends all jurisdiction NAICP teleconference meetings.
- Supports planning for all jurisdiction NAICP teleconference meetings, including speaker recruitment, slide development, etc.
- Offers to serve occasionally as a back-up to EC co-chairs, as needed.

Consider joining the NAICP EC!

- Interested adult immunization coordinators can submit a brief statement of why they would like to join the EC via email.
- Statement submissions can be emailed to EC co-chairs by **5:00 pm EST on Feb. 24.**
 - Nisha (Nisha.Gandhi@cdph.ca.gov) and Alyssa (StrouseA2@michigan.gov)
- If the number of submissions exceeds the number of available EC vacancies, the EC will create an online election survey.

Q&A session

Thank you!

- Please share NAICP correspondence with your jurisdiction's adult immunization coordinator.
- Future 2023 call schedule TBD and EC will reach out once scheduled.
- We will follow up with an email on the EC member self-nomination/nomination process.
- Meeting information and presentation slides available at: <http://www.izsummitpartners.org/naicp/>
