

Alix Schnibben, PharmD, BCACP, CTTS
Director, Clinical Quality and Ambulatory Pharmacy Services
Northeast Georgia Physician Georgia Physician Group

Dr. Alix Schnibben obtained her Doctor of Pharmacy from the South Carolina College of Pharmacy at the University of South Carolina in 2011 and completed her Postgraduate Year One (PGY1) Community Pharmacy Practice Residency at Virginia Commonwealth University in 2012. After her residency, she became a pharmacy manager with Walgreens and served as Market Lead for Wellness Programs. In 2014, Dr. Schnibben took a position at Ft Stewart in Hinesville, GA as a clinical pharmacist specializing in disease state management, polypharmacy, and tobacco cessation. Dr. Schnibben transitioned in 2016 to St. Joseph's/Candler Health System Center for Medication Management in Savannah, GA as a clinical pharmacy specialist in ambulatory care. With St. Joseph's/Candler Health System, Dr. Schnibben worked in the anticoagulation clinic and was embedded in primary care clinics to provide direct patient care. She established a co-visit model with primary care physicians and nurse practitioners to perform annual wellness visits and disease state management. In 2019, she transitioned to Northeast Georgia Physician Georgia Physician Group as an ambulatory care pharmacist working to establish ambulatory pharmacy services. She has since been promoted to Director, Clinical Quality and Ambulatory Pharmacy Services. In her current role, she focuses on population health, medication access, medication and immunization safety and education, and direct patient services provided by pharmacists. She is a member of the American Pharmacists Association, American Society of Health-System Pharmacists, Georgia Society of Health-System Pharmacists and Association for the Treatment of Tobacco Use and Dependence. Dr. Schnibben is Board Certified in Ambulatory Care Pharmacy and a Tobacco Treatment Specialist. She is an adjunct clinical assistant professor at the University of Georgia College of Pharmacy. Dr. Schnibben was awarded the Georgia Medical Society Healthcare Hero Award for tobacco cessation education (2016) and Georgia Society of Health-System Pharmacists Pharmaco-economics Research Award (2019).
