

Samuel Ortiz Severiano, BS
Team Lead for Adult Immunization Program
Immunization Section, Department of State Health Services

Samuel Ortiz Severiano is the Team Lead for the Adult Immunization Program and is currently working at the Department of State Health Services in the immunization section. Samuel received his Bachelor of Science in public health from the University of Texas at Austin and is currently studying to receive his Master of Public Health from the University of Nebraska Medical College. He has experience in community outreach, first responders' health, infection prevention, and system programs. Samuel is particularly passionate about reducing the burden of disease in communities that are high-risk for preventable diseases.
