Sarah Sharkey, MPH

IQVIA

Sarah Sharkey supports federal agencies like the Centers for Disease Control and Prevention (CDC) and the Food and Drug Administration (FDA) in using IQVIA's real-world health data to answer some of their most pressing questions. She is an expert in IQVIA's data and analytic solutions with a background in global health epidemiology and clinical research. Over the last 16 years, Sarah has contributed to research in vaccines, diabetes, COVID-19, LGBTQ+ health, hypertension, health services access and utilization, HIV/AIDS, and spinal cord injury.
