

Rebecca Coyle
Executive Director
American Immunization Registry Association (AIRA)

Rebecca Coyle is the Executive Director for the American Immunization Registry Association (AIRA), where she oversees the development and promotion of tools and best practices to support the implementation of immunization information systems as an essential tool in preventing and controlling vaccine-preventable diseases. Ms. Coyle has a master's degree in education with an emphasis in public health.

Rebecca began her work in the immunization community in 2002 as the School & Childcare Coordinator for the Idaho Immunization Program. She worked in the Minnesota Department of Health as a CDC Public Health Advisor before returning to Idaho as the Immunization Program Manager. Ms. Coyle joined AIRA in 2010 as the Executive Director.
