

**2014 Meeting
May 13-15, 2014**

Hyatt Regency Atlanta

All general sessions will take place in the International Ballroom on LL1

Registration Open: Monday, May 12th, 2014, from 3PM to 6PM; all day May 13-15th, 2014 – International Ballroom Foyer – LL1

Day 1: Tuesday, May 13, 2014 – Adult Immunization

8:30 – 10:00AM Adult Immunization Introduction – Moderator: L.J Tan, Immunization Action Coalition (IAC)

Call to Order and Introductions – L.J Tan, IAC, and Carolyn Bridges, Centers for Disease Control and Prevention (CDC) (10 minutes)

Welcome – Anne Schuchat, Director, National Center for Immunization and Respiratory Diseases (NCIRD), CDC (5 minutes)

Key Note Address: Howard Koh, Assistant Secretary for Health, U.S. Department of Health and Human Services (HHS) with introduction by Bruce Gellin, Director, National Vaccine Program Office (NVPO) (20 minutes)

U.S. Adult Vaccine Recommendations, and Trends in U.S. Adult Vaccine Coverage and Disparities – Walter Williams, CDC (15 minutes)

Adult Immunization: The Consumer Perspective and CDC Communication Efforts – Aparna Ramakrishnan, CDC (15 minutes)

Discussion

10:00 – 10:15AM Break

10:15 – 11:15AM Adult Immunization and Financial Barriers – Moderator: Phyllis Arthur, Biotechnology Industry Organization (BIO)

Primary Care Adult Providers Knowledge, Attitudes and Practices Regarding Vaccines and Vaccine Payment – Laura Hurley, University of Colorado (20 minutes)

Update on Affordable Care Act and Immunizations – Alexandra Stewart, George Washington University (20 minutes)

Discussion

11:15 – 12:15PM What’s New and on the Horizon for Immunizations? – Moderator: Jose Belardo, HHS Regional Health Administrator for Region 7

Storage and Handling Technology Brief Update – L.J Tan, IAC (5 minutes)

CAPiTA PCV13 Study – Vincenza Snow, Pfizer (15 minutes)

High Dose Versus Standard Dose Inactivated Vaccine Trial – Corey Robertson, Sanofi Pasteur (15 minutes)

What New Adult Vaccines Do We See in the Pipeline? – Carolyn Deal, National Institute of Allergy and Infectious Diseases, National Institutes of Health (15minutes)

Discussion

12:15 – 1:30PM Lunch On Your Own

1:30 – 2:30PM Working Group (WG) Breakout Meetings:

Provider WG – Room A in LL2 Embassy Hall

The session will consider core elements of the Standards for Adult Immunization Practice and discuss actionable and measurable activities the Provider WG could take on to enhance implementation by providers. The WG will discuss options for action in 2014-15, weighing barriers and feasibility factors, and identify 3 to 4 actionable items. The WG will present these options to the Summit for further discussion during the Wednesday morning session.

Quality Measures WG – Room F in LL2 Embassy Hall

The session will focus on ways the Quality WG can support implementation of the NVAC Standards for Adult Immunization Practice. The group will prioritize which components of the standards best align with the Quality WG’s work and discuss other WG activities they should stop, start or continue.

2:30 – 2:45PM Move to next WG

2:45 – 3:45PM WG Breakout Meetings:

Access and Collaborations WG – Room A in LL2 Embassy Hall

The Access WG breakout session will focus on discussion of priority actions for implementation of the Standards for Adult Immunization Practice, including motivators for different components of the standards.

Patient WG – Room B in LL2 Embassy Hall

Using the newly developed “Quick Guide to Adult Vaccine Messaging, the Patient Education WG will work with participants to develop targeted messages and tactics for a variety of organizations to use during National Immunization Awareness Month. We will also identify potential activities for the WG to focus on during the upcoming year.

Decision Makers WG – Room F in LL2 Embassy Hall

The Decision-makers WG will discuss the legislative issues of importance to adult immunizations and Mark Mioduski and Amy Souders of Cornerstone Government Affairs will explain the Appropriations process.

3:45 – 4:00PM **Break**

4:00 – 5:00PM **Health Plans and Health Systems – Emerging Strategies for Improving Adult Immunization – Moderator: Richard Martinello, Veterans Affairs Public Health Office**

Panelists:

Troy Knighton, Senior Public Health Program Manager, Veterans Affairs

Jamie Marxhausen, Quality Improvement Specialist , UCare Health, Inc.

Lisa Brill, Northern California Flu Vaccination Program Manager, Appointment and Advice Call Center, Northern California Kaiser Permanente

William Alexander, Medical Director, Georgia Medicaid, Amerigroup Corporation

5:00 – 5:15PM **Break – Move to Embassy Hall on LL2**

5:15 – 6:30PM **Summit History and Preview of Documentary “Invisible Threat” – LL2 Embassy Hall**

History of the Summit (10 minutes) - L.J Tan, IAC

Networking (20 minutes)

“Invisible Threat” documentary viewing (45 minutes)

Dinner on your own

DAY 2: Wednesday, May 14, 2014 – Adult Immunization
--

8:25AM **Welcome Back/Housekeeping – L.J Tan (5 minutes)**

8:30 – 9:30AM **Provider Education WG: Making Vaccines a Winning Proposition for Providers – Moderator: Tamera Coyne-Beasley, University of North Carolina**

The session will focus on perspectives and resources that can assist a wide range of providers implement the Standards.

Introduction and Perspective from the Adult Primary Care Provider – Laura Lee Hall, American College of Physicians (15 minutes)

Panel Discussion on Business Approaches, Tools and Barriers Faced by Providers:
Debra Hawks, American College of Obstetricians and Gynecologists (ACOG) (10 minutes)

Jeff Goad, Titus Family Department of Clinical Pharmacy and Pharmaceutical Economics & Policy, USC School of Pharmacy (10 minutes)

Discussion of activities that the Provider WG could focus on in the next year to promote implementation of the standards by healthcare providers.

9:30 – 10:30AM Patient and Public Outreach WG – Moderator: Laurel Wood, IAC

WG Report and Introduction to “Quick Guide to Adult Vaccine Messaging” – Laurel Wood, IAC (15 minutes)

ACOG Report: Turning Recommendations into Routine Practice for Patient Outreach and Messaging – Debra Hawks, ACOG (15 minutes)

Breakout Session Report – Action Steps for National Immunization Awareness Month. What’s in Store for the Future? – Erin Kennedy, CDC (15 minutes)

Discussion

10:30 – 10:45AM Break

10:45 – 11:45AM Quality WG – Moderator: Ernie Moy, Agency for Healthcare Research and Quality (AHRQ)/HHS

WG Overview, Priorities and Activities – Patrick Liedtka, Merck

Project Updates:

Adult Composite Measurement Project with Indian Health Service (IHS) and Veteran’s Affairs (VA) – Amy Groom, IHS, and Jane Kim, VA

NQF Adult Immunization Gap Analysis Update – Megan Lindley, CDC

Dashboard for National Coverage Data – Ernest Moy, AHRQ

Discussion

11:45 – 12:00PM Movement to Awards Luncheon in Embassy Hall on LL2

12:00 – 1:30PM Awards Luncheon (five 5-7 minute presentations)

1:30 – 1:45PM Movement back from Awards Luncheon to International Ballroom

1:45 – 2:45PM Access and Collaboration WG – Moderator: Mitch Rothholz, American Pharmacists Association (APhA)

Introduction and Review of WG Activities – Mitch Rothholz, APhA

Where Are We Regarding Immunization Information Systems (IIS) for Adult Vaccinations? – Gary Urquhart, CDC (10 minutes)

Understanding IIS Use in Adult Providers: A Pilot Project – John Billington and Trini Mathew, Infectious Diseases Society of America (15 minutes)

Implementation of Routine Assessment in Pharmacy Setting – Jason Rubin, Walgreens (10 minutes)

Plans For 2014-15 Regarding Implementation and Evaluation of Standards – Mitch Rothholz, APhA

Discussion

2:45 – 3:45PM State of the States on Adult Immunizations – Moderator: Carolyn Bridges, CDC

Involvement of Immunization Programs in Adult Immunizations, A Summary Report – LaDora Woods, Carter Consulting (10 minutes)

Challenges and Opportunities for State and Local Health Departments – Kathy Talkington, Association of State and Territorial Health Officials and Claire Hannon, Association of Immunization Managers (15 minutes)

Reports from Two Health Departments Regarding Successes and Challenges in Improving Adult Immunizations:

Marci Getz, Washington State Department of Health (15 minutes)

Julie Morita, Chicago Department of Health (15 minutes)

3:45 – 4:00PM Break

4:00 – 5:00PM Decision Makers WG – Moderator: Rebecca Gehring, National Association of County and City Health Officials

Accomplishments of the WG Over the Past Year and Next Steps – Kelly Cappio, BIO (10 minutes)

Panel: Best Practices in Building the "Immunization Neighborhood": Achieving In-Network Provider Status for Complementary Providers

Panelists:

Jennifer Tinney, The Arizona Partnership for Immunization (TAPI) – Successful implementation of the Billing Project Using Coalition and Legislation

Mitch Rothholz, APhA – Innovations in Pharmacist and Provider Activities

Nar Ramkissoon, UPP Technologies – Coordinating with Public Health Clinics, Health Departments and Health Plans Implementing the Billing Project

5:00 – 5:30PM Reflections on the WGs actions and next steps for 2014 – L.J Tan and Bruce Gellin

5:30PM

Adjourn

Dinner on Your Own

DAY 3: May 15, 2014 - Influenza Sessions Begin

8:15 AM Introduction and welcome (15 minutes)

8:20 – 9:20AM Seasonal Influenza Update and Discussion – Moderator: Carolyn Bridges, CDC

Update on the 2013-2014 Season Impact - Sandra Dos Santos Chaves, CDC

ACIP Influenza Vaccine Update – Lisa Grohskopf, CDC

Influenza Vaccine Coverage and Vaccine Supply – Erin Kennedy, CDC

Influenza Vaccine Effectiveness – Brendan Flannery, CDC

Discussion

9:30 – 10:45AM Focus on Special Populations Panel Discussion – Moderator: Sharon Ricks, HHS Regional Health Administrator, Region 4

Challenges to Improving Immunization Rates in Long-Term Care Residents and Healthcare – David A. Nace, University of Pittsburgh (15 minutes)

Influenza Vaccination as Secondary Prevention for Acute Coronary Events – Where Do We Need to Go in Clinical Practice? - Robi Goswami, Piedmont Heart (15 minutes)

Reaching Vulnerable Populations Through Faith-Based Partnerships – Mimi Kiser, Emory University (15 minutes)

Vaccinating Children – Moving From Increasing Evidence of Burden of Influenza in Children to Improving Implementation – Dennis L. Murray, Children's Hospital of Georgia, Georgia Regents University (15 minutes)

Discussion

10:45 – 11:00AM Break

11:00 – 11:30AM Influenza Session Keynote: From 2009 H1N1 to H7N9: How Much Progress Have We Made in 5 Years? – Tom Frieden, Director, CDC, with introduction by Nancy Cox, Director, Influenza Division, NCIRD, CDC

11:30AM – 12:00PM Update on Influenza Vaccine Activities in Europe – Ab Osterhaus, President, European Scientific WG, with introduction by Nancy Cox, CDC

12:00 – 12:30PM U.S. Pandemic influenza vaccine preparedness update – Moderator: Bruce Gellin, NVPO

Update on U.S. Pandemic Influenza Vaccine Development – Rick Bright, Office of the Assistant Secretary for Preparedness and Response/HHS (20 minutes)

Planning for the Next Pandemic: A Provider’s Perspective – Sam Graitcer, CDC (10 minutes)

Discussion

12:30 – 1:30PM Lunch

1:30 – 2:30PM Influenza Vaccination Communications – Moderator: Yvonne Garcia, CDC

Summary of 2013-2014 Activities and Plans for Upcoming Influenza Season – Yvonne Garcia, CDC (10 minutes)

Using Digital Media Outreach to Foster Cross-Collaboration among Partners - Austyn Dukes, CDC (10 minutes)

Storytelling for Health—Harnessing the Power of Grassroots Voices to Promote Flu Vaccination – Carlos Velasquez, HMA (15 minutes)

Georgia Coalition for the People’s Agenda: Grassroots Partners Mobilizing to Promote Flu Vaccination – Helen Butler, The National Influenza Vaccination Disparities Partnership (15 minutes)

Discussion

2:30 – 3:30PM Updates from Manufacturers on Influenza Vaccine – Moderator: L.J Tan, IAC

HIDA: Josh Babb, Director of Government Affairs

GSK Vaccines: Catia Ferreira, U.S. Medical Affairs Leader for influenza vaccines.

bioCSL: Judith Wolf , U.S. Director Medical Affairs.

Sanofi Pasteur: Jay Barber for Sr. Director, Product Marketing, U.S.

Novartis: Clem Lewin, VP, Head of Medical Affairs and Immunization Policy North America

MedImmune: Heather Richmond, Manager, National Accounts

Protein Sciences: Wayne Hachey, Head Government Relations and Clinical Services.

Questions

3:30 – 4:00PM Summary of Influenza session and next steps for adult and influenza summit activity

4:00PM Adjourn - Safe Travels All!
