

## **NAIIS Provider Outreach Workgroup – Meeting Summary**

**Date of Meeting:** July 2, 2015

**Topic/Focus:** Recap of Annual Summit Meeting and Priority Setting for 2015–16

**Speakers/Facilitators:**

- Susan Farrall (CDC)
- Laura Lee Hall (American College of Physicians)
- L.J Tan (IAC)

**Meeting Summary:**

Presenters provided a summary of the annual Summit meeting that was held May 12–14 in Atlanta. Workgroup members discussed priority setting for the 2015–16 year. Priorities identified were (no order of importance implied):

- Promote immunizations as the quality improvement project of choice for those providers seeking Maintenance of Certification;
- Increase provider knowledge of, support for, and participation in IIS/state registries
- Provide education on ICD-10 coding for vaccines;
- Work on issues involving payment, including rating of payer reimbursement rates and/or increasing reimbursement efficiency;
- Solicit and support study of net revenue for administering adult immunization in various practice settings;
- Promote awareness of and communications about the value of adult immunizations to your members and their patients/the public.
