

Achal Bhatt, PhD

**Team Lead for Partnership and Support, Immunization Services Division and currently serving as Deputy for the Vaccine Taskforce in the 2022 NYS Polio Response
Centers for Disease Control and Prevention**

Dr. Achal Bhatt, Team Lead for Partnership and Support, Immunization Services Division, joined CDC in 2001. She leads national, state, and local collaborations to improve immunization communications, education, training, and programs to prevent vaccine-preventable diseases across the lifespan. During the pandemic, she played various roles in the COVID-19 response including co-leading the Vaccine Implementation Unit and supporting the under 5 childhood vaccine rollout. Currently, she is the deputy for the Vaccine Task Force in the 2022 NYS Polio Response.
