**Vaccination Advocate**  
**Unity Consortium**

Ethan Lindenberger is a vaccination advocate, who began his advocacy after getting himself vaccinated at 18. His mother is anti-vaccine, and this experience allowed Lindenberger to combat the misinformation that reached him and his mother. He has given a TEDx talk, spoken in front of the U.S. Senate, and even the European Union. Ethan now lives in Cleveland, Ohio, and works as a student and full-time bartender.
